COOKSTOVE END-USER AGREEMENT

Fuel Efficient Cooking in South Africa

A Rocket Works wood efficient cookstove is being provided to you by NewCo under the Verra programme of activities: Fuel Efficient Cooking.

I understand that, by using the stove as often as possible, I will reduce the amount of wood needed for cooking which will reduce the harmful gas emissions normally given off by an open 3 stone fire.

Please complete and sign below as indicated:

I, John Snorr have received a Rocket Works wood efficient Cookstove with serial number 15556. I hereby give consent for NewCo SA (Pty) Ltd to collect personal information and other information and data, as voluntarily disclosed by me or the members of my household to the Interviewer.

I understand that I have received the stove free of charge and that, in order to cover the costs of the stove, NewCo SA (Pty) Ltd will claim the CO₂ emissions reductions from the stove and sell these as carbon credits. I acknowledge that if I do not give the required information, I will not receive the stove free of charge.

I agree that NewCo SA (Pty) Ltd and the NewCo group of companies may store, process and use my personal information as provided, for the purpose of monitoring the stove's whereabouts and use over the stove's lifetime, that such information may be stored and used by NewCo SA (Pty) Ltd and the NewCo group of companies, and that such information will be the subject of all reasonable and required levels of protection. I understand that I have the right to lodge a complaint to the Information Regulator regarding misuse of my personal information and that my personal information will not be sold to any third party.
